

For base and vehicle owners (livery and black car only):

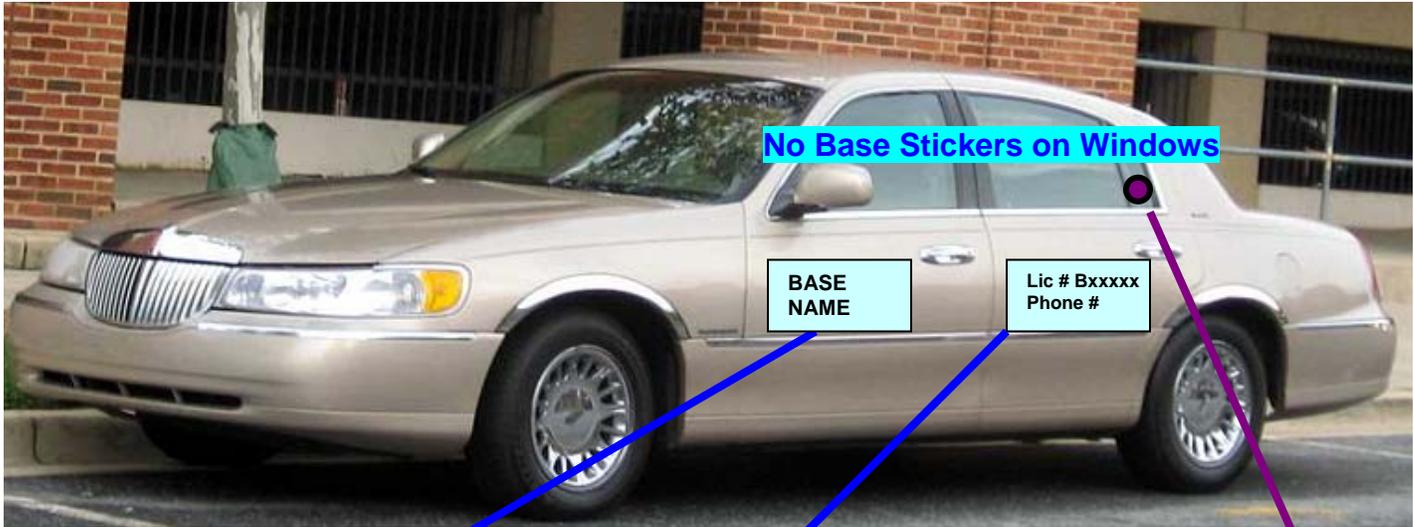

Starting summer 2009, you will be required to display these decals on both of the rear quarter windows – one on each window.

These stickers show passengers that your vehicle is properly licensed by the TLC.

We will distribute these to you through your affiliated base this summer.

LIVERY VEHICLE EXTERIOR MARKINGS

- Your car must have semi-permanent stickers (magnets are not permitted) on the outside of the car.
- All stickers should be below the windows, on the body of the car.
- The stickers have to be at least 6" from the bottom of body of the car.
- You cannot put any stickers on the windows.
- You can put the stickers in one (1) of two (2) places (or both if you choose).
 1. Both sides of the car (both sides are required if you put them here)
 2. On the back of the car

If you put your stickers on the side of the car:

Stickers must have:

1. The base name
2. The base license number
3. The base telephone number

The size of the letters and numbers on the sticker **must be** at least 1 ½ inches tall.

● TLC Staff will put these TLC decals on the car in both rear quarter windows

If you put your stickers on the back of the car:

Stickers must have:

1. The base name
2. The base license number
3. The base telephone number

The size of the letters and numbers on the sticker **must be** at least 1 inch tall.

- please note drawing is not to scale -

Where to place the TLC decal on Minivans and Passenger Vans
