**STREET HAIL LIVERY VEHICLE
POWER OF ATTORNEY**

This form must be used by an owner of a vehicle affiliated to a Street Hail Livery Permit (Vehicle Owner) to allow a representative to act on their behalf with the New York City Taxi and Limousine Commission (TLC). This means that the designated representative will be able to perform transactions with the TLC without the physical presence of the Vehicle Owner. The Vehicle Owner is still responsible for following all TLC rules.

An original Street Hail Livery Vehicle Power of Attorney Form must be presented for each transaction. This form must be completed in ink, in a color other than black.
